<b>Chant Title and Author:</b>	Don't Worry, Be Mathy

**Copy and Paste Chant Here:** Order of Operations (Don't Worry, Be Mathy)  
 by Sharon and Gary Chant Masters  
 Sung to the tune of Don't Worry, Be Happy

Here's a math song that I wrote  
 You might want to learn it note by note  
 Don't worry.....be mathy  
 Don't worry, be mathy now

Operations left to right.  
 Parenthesis and exponents are first in sight  
 Don't worry.....be mathy  
 Don't worry, be mathy now

Ooooooooooooo....don't worry...oooooooooooo....be  
 mathy.....ooooooo...Don't worry, Be mathy

Multiplication next in line  
 Then division, you're doin' fine  
 Don't worry.....be mathy  
 Don't worry, be mathy now

After that, now I say  
 Addition and subtraction in the same way  
 Don't worry.....be mathy  
 Don't worry, be mathy now

Ooooooooooooo....don't worry...oooooooooooo....be  
 mathy.....ooooooo...Don't worry, Be mathy

Now we have a solution  
 to the problem troubling everyone  
 Don't worry.....be mathy  
 Don't worry, be mathy now

**Additional  
instructions/melody/tempo etc.:**

Sung to the tune "Don't Worry, Be Happy"
