Topic/unit/core selection: Energy

ENERGY BUGALOO!

by Linnea Haley adapted from Marcia Brechtel

That's heat energy I'm here to say
It works in a most peculiar way.
Rub your hands together,
Hot, hot, hot
But unburned wood is
Not, not, not.

Heat, light, sound, too
Doing the physicist bugaloo!

Potential means stored
Like saving in the bank.
Kinetic means moving
Like the motion of a crank.

Heat, light, sound, too
Doing the physicist bugaloo!

Additional instructions/melody/tempo etc.:
