Topic/unit/core selection	Government

Governments Here There
by Eva Thaddeus

Governments here,
Governments there,
Governments, governments everywhere.

Democratic governments deciding slowly,
Autocratic governments insisting brutally,
Corrupt governments embezzling frequently,
And just governments helping carefully.

Governments around the world,
Governments in every country,
Governments for states and counties,
And Governments at local levels.

Governments here, Governments there,
Governments, governments everywhere.
Governments! Governments! Governments!
