I Know a Migrant Story
by Eva Thaddeus

I know a migration story,
A lengthy migration story.
An extremely lengthy story,
That begins in another country.

In it, a person walks many miles.,
In it, a person lives in fear.
In it, a person has to seek help from others,
In it, a person is looking for a better life.

I know a migration story,
A real-life migration story.
A 21st Century story,
That is happening right now.
