I grow my plants!
By Jordan Moynihan

I know that plants need air
And sun sometimes
They need soiiiiiiiil
They need waaaaaater
I know that plants need air
And sun sometimes
They need soiiiiiiiil
They need waaaaaater

I grow my plants, plants, plants plants.
And everyday I watch my
plants plants plants plants
They grow up to be big
Plants plants plants plants

Cause it grows on and on and on
And it grows on and on and on YEA!

I know that plants need air
And sun sometimes
They need soiiiiiiiil
They need waaaaaater
I know that plants need air
And sun sometimes
They need soiiiiiiiil
They need waaaaaater

Cause we gon' grow our plants
With the roots and seeds
We gon' grow our plants
With the stems and leaves!

(To the tune of Dynamite)

Cause I water it once
Now I water it twice
We gon' grow our plants
Like they're fertilized!

Plants can move move move move!
Get out the way cause they need room room
room room!
They'll breathe and grow grow grow grow
Just drop the seeds and you will sow sow sow
sow!

Cause it grows and on
and on and on
And it grows on and on and on

I know that plants need air
And sun sometimes
They need soiiiiiiiil
They need waaaaaater
I know that plants need air
And sun sometimes
They need soiiiiiiiil
They need waaaaaater

Cause we gon' grow our plants
With the roots and seeds!
We gon' grow our plants
With the stems and leaves!
Cause I water it once
Now I water it twice
We gon' grow our plants
Like their fertilized!
