We just know what we've been told,
Fossils show us things untold.
Ancient organisms left a piece behind
A story of their lives to find

Sound off - trace fossil
Sound off - cast fossil
Sound off - 1, 2, 3, 4
PETRIFICATION!

Many organisms are now all gone
Their modern counterparts now carry on
We learn about where they lived
By studying the information their fossils give

Sound off - mold fossil
Sound off - true form fossil
Sound off - 1, 2, 3, 4
EXTINCTION!
