I have brown eyes, you have blue.
I'm a person, so are you.
In many ways we are alike,
But I'm named Ana, you're named Mike.
Diversity! Diversity!
Contributes to a healthy we!

I have blue eyes, you have brown,
We both smile, we both frown.
I am like you, you're like me
But we are different too, you see.
Diversity! Diversity!
Contributes to a healthy we!

My hair is dark, your hair is fair,
My mom and dad both have dark hair.
It's love that makes a family
But looks come from biology.
Diversity! Diversity!
Contributes to a healthy we!
