Chant Title and Author	I Know a Social Leader By Kavita Krishna
-------------------------------	--

Copy and Paste Chant Here

I know a social leader,
A courageous and strong social leader,
A courageous and strong social leader,
That lived in Ohkay Owingeh Pueblo.

He helped people as a healer,
He fought against Spanish control,
He led the Pueblo Revolt,
And restored people's customs and language.

I know a social leader,
A courageous and strong social leader,
A courageous and strong social leader,
A leader who was called Po'pay.
